

Graduate Opportunities // Year Out Landscape Architect

Applied Landscape Design is a full service Landscape Architecture, Urban Design and Landscape Management practice based in Oxfordshire.

The practice, established in 2002 by Kym Jones, are proud to offer clients a valuable mix of multidisciplinary expertise, personal involvement, commitment to detail and a desire to deliver truly successful projects.

The team has a wealth of experience working with corporate, government and private clients to design parks and public gardens, streetscapes, roof gardens, commercial and corporate headquarters, retail developments, housing, health and education projects.

we design // we deliver // we create

The Position

We have a vacancy in our Chesterton Office for a 'Year Out' or 'Placement Year' Landscape Architect to strengthen our existing team. We are looking for someone who is a highly motivated team player, focused on attention to detail and with strong communication skills.

Training & Professional Development

Year Out Landscape Architects will be supported throughout their training period by an experienced mentor, and work with several members of our team. Successful applicants will have the opportunity to be directly involved in a comprehensive range of UK and International schemes.

Duties & Responsibilities

- Concept design, development and consultations
- Preparation of drawings, studies and reports
- Production of presentation materials
- Assist with site surveys, feasibility studies and assessments
- Support members of staff as a valued team player

Qualifications & Experience

- Applicants should have an Undergraduate Degree and be working towards a Post Graduate Diploma or Masters qualification in Landscape Architecture or an associated discipline
- Good presentation skills are essential, as well as the ability to prepare technical and working drawings
- Experience in Autocad is desirable but not essential
- Ability to organise own work schedules and support others
- Strong interpersonal skills and attention to detail

Location

This post will be based at Applied Landscape Design, The Threshing Barn, Bignell Park Barns, Chesterton, Nr. Bicester, Oxfordshire OX26 1TD. Approx. 45mins by train from London Marylebone Station.

Salary & Benefits

We believe that to attract the best we should offer excellent rewards. Year Out Graduates will enjoy a competitive salary determined by skills, experience and ability, which will be based on 37.5 hours per week.

- 20 days holiday, plus statutory days
- Potential sponsorship funding would be considered during final diploma year for the right candidate
- A flexible start date can be negotiated

To Apply

Please forward your CV and a showcase of your work at the earliest opportunity. Please include a cover letter outlining why you wish to spend the year with us and what you are looking to achieve in that time.
